ABOUT OUR COMPANY

Thermo By Products began selling transport refrigeration product in 1993. Our sales staff has well over 100 years of combined experience in the transport refrigeration field. The company has grown to become one of the largest independent distributors of replacement products for both Thermo King and Carrier.

In 2002, Thermo By Products merged with ASE Supply. ASE Supply has been a warehouse distributor of heavy duty electrical and small engine products since 1963. Together, these two companies are known specialists in each of their fields. As you look through our catalog, please do not forget we are here to help you with all of your transport refrigeration and heavy duty electrical needs.

We strongly believe that you, our customer, drive our business. Quality is job number one! Thermo By Products has a staff dedicated to sourcing high quality products to ensure that our products meet or exceed OE specifications. Your suggestions for improvement are met as a challenge to make our products second to none.

Thermo By Products is an **employee owned** company. As such, all of our owners are keyed to our customers' success.

REPLACEMENT ENGINE KITS

Engine kits are available several sizing configurations, our part designation system is easy to follow.

	PISTON	MAIN BEARING	ROD BEARING	
TB-37-10-235-	X	X	X	
	S	S	S	Standard
	1	1	1	0.25MM or .010
	2	2	2	0.50MM or .020
	3	3	3	0.75MM or .030
	4	4	4	1.00MM or .040

Example

TB-37-10-235-123

TB-37-10-235 with 0.25MM Piston, 0.50MM Main Bearing and 0.75MM Rod Bearings.

YANMAR ENGINE KIT 235
